to support the anti-oxidant network
**in just 10 calories**

### Synergistic Blend of
### Vitamins & Nutrients

MaxN-Fuze is specifically designed to provide both **direct and indirect anti-oxidants** along with many important vitamins and nutrients.*

This proprietary blend works to help support glutathione functions to **defend against outside influences** and attackers **like free radicals** and **chemical toxins.***

**Glutathione** plays an integral role in **recycling anti-oxidants and removing toxins**, but it can't do it alone. MaxN-Fuze provides **important nutritional and vitamin support.***

Use MaxN-Fuze **once-a-day** as a stand-alone **vitamin supplement** or as support for any of Max International's glutathione-supporting products.

## Enrich Your Body With Vitamins and Nutrients

### The Support Your
### Body Needs

MaxN-Fuze helps **to defend against free radical damage**, assisting cells in functioning at healthy levels.*

MaxN-Fuze's **proprietary blend** helps to **preserve and enhance glutathione's function** and the body's anti-oxidant network.*
